Industry leading 8-point locking system

Adjustable locking rollers

Unique handle, modern design

Superglide Gearbox

Q-Lon, draught proof for life

## Window security

Hard wearing, durable windows.  
It's all in the design

However important windows are to the style of your house, the security they offer is even more important. The more confident you feel inside your home, the happier you'll be.

Our Saco shootbolt locking system is specially designed to improve security and performance that is second to none. It also takes pressure away from the hinges, ensuring a longer life for your windows. The tight seal guarantees superb weather protection too, so you'll feel safe and secure in every way.

### Features and benefits

- Point locking system with unique corner drive design on all windows regardless of size.
- Unique full depth Eurogroove lock-out design to maximise security performance.
- 400% more shootbolt contact area with keep when compared to traditional flat shootbolts.
- Superglide gear box action, tested to 100,000 cycles (equivalent to 30 years of heavy use).
- Rigorously tested to BS7950 and beyond to achieve Secure by Design status.
